

On June 4, 2011, 151 Alumni and Guests met at the new Tallmadge High School for the 132nd Annual Alumni Banquet Meeting. The banquet was held in the rotunda.

We began with a Social Hour at 5:45 P.M. followed by a Baked Chicken and Roast Beef Buffet dinner catered by Horning.

The decorations were the traditional Blue and Gold with flowers as centerpieces. The arrangement committee was chaired by Bill Hilbish (1974). Beth Wood (1982) helped with the punch. The officers set up the tables and chairs. Sue Naso Bauch (1973) provided the flower centerpieces.

A welcome was given by Chris Bauch (1971) and the invocation was given by Mary Rzewnicki Cushing (1974).

After dessert was served, Chris called the meeting to order at 7:45 PM. Due to a scheduling conflict we had our business meeting in the rotunda. He then introduced the 2011 officers.

A thank you was given to John and Daisy Ilg Scalia (1960) of AA Blueprint for donating all our printing services.

Chris asked if there were any additions or corrections to last years minutes as there was none the minutes were approved as reported.

The Treasurer's Report was given by Judy Wood Ripple (1971) and was approved.

Chris then welcomed Superintendent, Jeff Ferguson. Jeff welcomed all the Alumni, saying it was a great pleasure to see everyone. Highlights for 2010-2011 – Academics – rated excellent for the 5th year in a row. On a scale of 1-26 Tallmadge received a perfect score of 26. The traditions, vision and excellence of the school remains the same. We had a great school year and great accomplishments.

At the stadium a new track was installed. Jeff announced that on Tuesday Overdale school would close. An open house from 10-11 am would be held to celebrate the history of the school and to say goodbye. The 2011-2012 building rosters will be as follows: K-2 at Dunbar, 3-5 at Munroe, 6-8 at Middle School and 9-12 at the High School. Closing Overdale would save the school district \$750,000 a year.

Chris then introduced Bob Dieter and Pam Coomes Mullet who gave the 50 year report of the Class of 1961.

Good evening, my name is Bob Dieter and I graduated from Tallmadge in 1961.

Our senior class president, John Bee, wanted to be here to talk; however, he had a scheduling conflict, so you're stuck with me.

A few facts about our class:

We are planning our 50th reunion, which will be held in mid-September here in town.

There were 118 graduates in June of 1961, and to date, we are aware of 16 who have passed away, several this past year.

Of the 102 living, we have located and have current addresses for 92. Not too bad for 50 years of moving around.

Of those 92, - a little more than half (49) live in area code 330 (at least part of the year) and 20 of them are living right here in Tallmadge.

For our reunion, we have invited an additional 10 who were in our grades for most of their school years but did not graduate in 61, however, they were a big part of our lives. We are looking forward to some great memories and a good time at our reunion.

Just a few more facts:

We were the only class to attend every active school building in town during our times. As far as we can tell, everyone started at the old central school in 1st grade, then the next year, the kids in the south end of town went to the new Dunbar building for the second grade on up, while the rest stayed at Central. Overdale opened in 1953 and at some point some of our class went to that building. We all went to the Jr. High together and then to the "Old High School" on North Ave. In the fall of 1960 we were the first senior class to attend the "New" High School on East Ave., so we capped our school days as the "first" in many ways. So some of our class went to each school at Tallmadge grew from 1941 through 1961. It was a good place to grow up and it seemed that you knew almost everybody – or – they knew your parents.

Some school memories of those times:

We had a great marching band and some pretty good sports teams: and Coach Schwabe enthralled us with his stories of flying. We still played our football games at the Overdale field, because the building was the only thing finished on East Ave., but, we had a new gym for basketball.

Our first high school principal, Mr. Ocasek, went on to be a state senator, so we all felt we knew somebody really important.

Another important person, in our driving years, was Capt. Knapp, always the “good cop”, as he kept the traffic moving around Lujan’s drive-in on the circle.

A & W came about that time, but we didn’t cruise their lot, because you had to go out onto West Ave. to get back in. So we just parked and they had more lighting, so the back row at Lujan’s had more allure if you had a date.

We always had a new Chevy from West Chevrolet for Drivers ed.

Stow was “the boonies”, we were not.

I don’t know what else to say except that “ELVIS has left the building”. Thank you

At this time we then recognized the 50 year class and presented them with 50 year pins. They were told to pick up their apples after the meeting. The names of all the Golden Agers, anyone graduating 51 years or more was read off by the secretary. They also were given golden delicious apples and were told to pick them up on their way out.

Chris then welcomed the 25 year class of 1986. Representing the class of 1986 was Linda Chiera.

Hello, my name is Linda Chiera and I am a proud member of Tallmadge High School’s Class of 1986. I served at our Class Secretary. It is an honor and a privilege to be here with you all this evening. Thank you Mary for the invitation.

Wow, time flies when you’re having fun. I did not honestly realize until Mary invited me to present this evening, that it has been 25 years since our class graduated from Tallmadge High School. Life certainly is a journey, not a destination. What a journey it has been. Today we have social networking sites such as Facebook that allows us to connect to our classmates all over the world, 24/7, in a single click. Many of us from the Class of 1986 meet regularly at local restaurants, pubs and parties. Facebook is a great vehicle for us to get the word and reconnect. Mary used Facebook to connect to me about this evening and her I am. Incidentally, email was invented in 1986. So was the 386 series Intel microprocessor. Today, we have iPad’s, Blackberry’s and 4G networks. Technology has certainly made a significant impact on our lives since 1986.

So has tragedy, I remember the graphic images vividly on a cold January day when I learned that the space shuttle Challenger had exploded. I was in study hall when the announcement was made over the loud speaker. It’s hard to believe that in 76 seconds, seven lives were lost. I think this was one of the 1st national tragedies that occurred in my lifetime. One of the astronauts was a teacher, Christa McAuliffe, the 1st private citizen to ride on a space shuttle mission. I vividly remember conversations with my Technical Drawing Teacher, Mr. Bliss. He mentioned that he was under consideration for this prestigious mission. I also vividly remember the disappointment he shared when he learned that he did not make the cut. I can only imagine the thoughts that went through Mr. Bliss’ head when he learned of this tragedy.

In February 1986 an earthquake shook the walls, floors and students of Tallmadge High School. This was a 5 point magnitude and the largest earthquake in Tallmadge’s history. I was in Art Class when this happened. It is predicted that another earthquake of this kind will occur 50 years later, in 2036. That gives us another 25 years to prepare. Who knows, I or another classmate may be saying “do you remember when...” at our 50th THS Alumni celebration.

Speaking of rock and roll, Cleveland was named the Home of Rock n Roll in 1986. The first – 10 inductees were inducted into the Rock and Roll Hall of Fame. Today 296 inductees are honored there. Music, particularly rock n roll has played a significant part in my life. Songs and music video's like "Walk like an Egyptian", "How Will I Know" and "Rock me Amadeus" scream 1986. I remember Mrs. Caswell, my English Teacher and Tennis coach saying that she did not understand songs today. She felt bad that we were gipped and that songs in 1986 could not possibly have an impact like the songs of her era. Well, Mrs. Caswell, from my experience, they did make a significant impact. Today, I believe that music is a huge connector, regardless of the generation.

Life definitely is a journey...so what have I learned since 1986 – that High School was a challenging time. Being a teenager was a challenging time. Today I know that Life can be challenging and is also filled with tremendous growth opportunities to overcome for All. I have learned that we all are connected some way, somehow to each other. Whether it is through technology, tragedy, natural disasters or the arts and entertainment, we are all connected. We all have experienced joy, wonder, fascination, loss, grief, shock, surprise, anger, victory, hope and love. Life happens. I have learned to slow down: to live, to breathe and to keep an open mind. I have also learned to take a look around me and to be grateful for every experience and everyone who has crossed my path.

Peace, Love and Blessings to you all. Thank you

It is my honor to welcome the Class of 2011 to the Tallmadge High School Alumni Association.

Representing the class is Christina Cochran. Christie is a lifetime Tallmadge resident and the daughter of two Tallmadge High alumni, Mitch Cochran, Class of 1973, and Debbie Sims Cochran, Class of 1976.

Christie attended some schools you may have attended: Overdale, Dunbar, Munroe, the Middle School and the "old" high school – the one on East Avenue. She then attended this high school where she was a pretty busy young lady.

Christie was the Senior Class president. She was a cheerleader, on dance team, in pep club and in Leaders in Action. She was a member of FCA which is Fellowship of Christian Athletes. She was a Spanish Club officer. She performed in plays and musicals. She was on Student Senate and in the Principal's Focus Group. She was a Senior Mentor to a freshman. In between these activities, Christie kept up with her studies and graduated with honors. She will attend Walsh University in the fall, seeking a nursing degree.

Please welcome Christie Cochran.

"As long as we have memories, yesterday remains. As long as we have hope, tomorrow awaits."

This is the class motto that was chosen by class of 2011.

Memories take us back as far as pre-school. Our basic needs were taken care of, school was fun and exciting. We made friends which we still have today and we reflect on how easy we had it. Snacks and nap time. We took both for granted and often put up a fight for nap time. It is too bad we can't work those into block scheduling. But as we move onto college, we can take our experiences and lessons learned. We will have to make new friends and find new ways to cover our basic needs, but if we take the same and simple attitude, we'll succeed.

Our memories from the school aged years are quite lengthy. Class parties for all of the holidays, field days and how could we forget Mr. Misch singing "Happy Birthday" in the cafeteria. We attended middle school nights trying to avoid being seen with parents at all costs. But it's our

senior year that remains the most memorable. With an undefeated football team, our pep spirit brewed inside us, proven by several broken bleachers. Our accomplishments shined through in several different ways: academically, athletically, and creatively.

Academically, I have never known people so intelligent as my classmates. National Merit finalists Hannah Kenny, Emily Gough and Kevin McMullen in addition to everyone in NHS, Distinguished Scholars and those brave enough to accept the challenge of an AP course. This class stands defined by academic performance and the hard work, initiative, and dedication required to achieve such greatness.

The fine athletes of our class have also given this grade a fine reputation. Several have chosen to continue their educational and athletic careers at the collegiate levels. A football team that “believed” in revitalization after an “off year”, coming back to be undefeated and win the league. A lady cross country and track runner, Jackie Koza, who broke records and advanced to higher competition in both sports, a boy’s golf team who also won the Suburban league title and a girl’s golf team who placed in the top 4 at sectionals. A softball team that advanced to state’s our sophomore year and won districts our junior years, a girl’s track team who won districts sophomore year, a boy’s track team with exceptional athletes: Kyle Tywon who broke the 110 meter hurdle record and the long jump record, and Noah Winters who broke the 400 meter record. We would like to wish good luck to those individuals or teams who are still competing now. The initiative to work hard not only at practice but outside of practice also, helped shape not only fine young athletes, but fine young people on and off the field.

And finally, we address creativity. From the more dignified members of the marching, concert and jazz bands and those in plays and musicals, to the slightly less dignified members of the boys dance team who danced to lady Gaga quite proudly. The marching band earned a superior rating at states for the second year in a row. Leadership in new clubs and activities was also established. The bowling team was started 3 years ago by Chris Cummins and advanced to districts this year. The creation of two new clubs spurred with our creativity; Respect, and Food Revolution. Both took preparation and initiation from the students and they let no one down. Our class put creativity to work while planning the first annual Mum Day at THS. Our strong leadership and creativity have earned this class an impressive and positive reputation.

With these memories, we realize we have adapted to and overcome change. This gives us hope for our future. We adapted to block scheduling, new teachers and a more relaxed atmosphere as freshman. Throughout our years we have adapted to changing dress codes, changing rules, and how to make wiser decisions. As young Ohioans, we have learned to adapt to crazy, changing weather and snow days and delayed entries and anything else Mother Nature could possibly throw at us. We initiated change in our school and implemented new traditions. These qualities are what make college, the armed forces or work in the future very promising and slightly less scary.

“As long as we have memories, yesterday remains. As long as we have hope, tomorrow awaits”

Memories build the foundation for our future. With everything we have learned, our futures await us and we anticipate them with great hope.

Our class was diverse but cohesive. We all worked together well and we leave the class of 2012 big...colossal shoes to fill. We were leaders in the school and truly knew the meaning of the word. The past twelve years would not have been the same without any one of my classmates. I know they will use the times we have spent together, the lessons learned and the challenges we have overcome as a foundation. Our memories are fond but will never fade, and the adventures left to come, await us. Each end has a new beginning. And the class of 2011 will always remember, “as long as we have memories, yesterday remains. As long as we have hope, tomorrow awaits”.

MEMORIAL

If tears could build a stairway,
And memories a lane,
I'd walk right up to Heaven
And bring you home again.

Since the Alumni Banquet in 2010 we have lost to the great creator,

Class of 1948

There were nominations for the following officers for 2012. They will serve a 2 year term:

President	Mary Rzewnicki Cushing	1974
1st Vice President	Bill Hilbish	1974
2 nd Vice President	Patty McNeal Hartshorn	1983
Secretary	Beth Wood	1982
Assistant Secretary	Gayle Bross McMillan	1974
Treasurer	Mary Black Overholt	1963
Assistant Treasurer	Margie Saylor Metcalf	1959

Chris then asked if there were any more nominations from the floor. There were no nominations from the floor. A motion was made to accept the slate of nominations. Motion accepted. Congratulations to the new officers and thanks for keeping the Alumni Association going.

Unfinished Business – There were no nominations for the Hall of Fame. A Nomination form is included with the annual report. Let's see if we can get some nominations for next year.

New Business – We received thank you notes from last year's scholarship winners.

The three scholarship winners for 2011 are: Brittany Buehler, Maria Lorkowski and Kendra Polefrone

The scholarship winners are all heritage family members.

The 50-50 raffle collected \$372. The winner will get \$136. The other \$136 will go to the scholarship fund. The winner was Rudy Rzewnicki (Honorary member Class of 1948), he then donated the \$136 back into the scholarship fund.

We then did a drawing for two flower baskets. The first winner was Kyle Klever, Class of 1986, and the second winner was Dee Berger Hood, Class of 1951. Congratulations and a big Thank You to Beth Wood (1982) for doing the 50-50 raffle and getting the flower baskets.

With the \$136 donation to the scholarship fund, we had a total of \$1550 donated to the scholarship fund this year. Thanks to all who donated to the scholarship fund.

As there was no more new business Chris turned the gavel over to new President Mary Rzewnicki Cushing.

As I assume my duties as President of this organization, I would first like to thank the retiring officers.

Judy Wood Ripple, Class of 1971, has served as Treasurer for four years and was an officer in earlier years, as well. Thank you, Judy!

Sue Wood Yeager, Class of 1978, first became an officer in 1986. She has served as 1st Vice President and as President and for the last ten years straight has been the Secretary. She has done a yeoman's service for this organization. Thank you, Sue!

Chris Bauch, Class of 1971, has been an officer continuously since 1996. That's fifteen years straight! In that time, he has served as 2nd Vice President, 1st Vice President and President. Thank you, Chris, for your dedicated service!

As there was no further business, the meeting was adjourned.

Alumni members can now receive the annual report and the invitation by email. Our email address is:THSALUMNIASSOCIATION@GMAIL.COM

LOOK FOR US AT THE HOMECOMING FOOTBALL GAME OCTOBER 7, 2011 AND JOIN US AFTERWARDS AT ERIE STATION GRILLE LOCATED AT 70 EAST AVE.

COMMUNICATIONS

I will not be able to attend, but I hope everyone has a great time. Charles Durst (1961)

Sorry to miss again this year. I will be at a convention, Best to all. Carolyn Atwood Mackey (1949)

My husband and I won't be able to come again this year, we have other plans. Hope everyone enjoys themselves and if all goes well we will be able to attend next year. Ina Oxford Paulus (1958)

We will not be attending the meeting this June 4th. Don Dean (1944), Betty Heiser Dean (1945)

Hi, I will not be able to attend this year. My congratulations to the Class of 2011, with the best of luck in the future. Mary Ann Bailey Anzallo (1952)

I am unable to attend as I'm usually on the west coast as I will be this year. I am also on face book. Paul Thorn (1948)

Thank you, Susan, for all the work you do to keep this organization running. Marian Wolcott Charles (1947)

Joe and I won't be able to attend this year, as our children have planned a trip for our 49th anniversary. Congratulation and Best Wishes to Class of 2011. It is wonderful to read how THS has grown and know who well they are doing in all endeavors. Irma Shephard Zema (1950)

Wish I could be there at Alumni. Will enjoy reading the Annual Report-and thanks. Margjorie Lawrence Henninge (1943)

Greetings from the "Valley of the Sun" Sun City, Arizona and to all Tallmadge School mates remembering the 1940s and life during WWII. Enjoy hearing from Faith Wagner Hause, Marjorie Lawrence, Juanita Donald and my sister Margaret Bumpas. I am doing well thaks to medications and my gardening. Ha! Billie Orr Hart (1943)

Will be unable to come to the alumni this year. We do look forward to coming each year. Mel had a stroke, the worse any man could have had so the Dr. said. Didn't give him any chance to live. But, God had other plans. He's doing fairly well- can talk and walk. His every day mind is slow and can't think sometimes. He remembers the past pretty well. He had his stroke July 11, 2010, right after we came back from Ohio. We're thankful he's as good as he is. Tell all hello for us especially our class of 1948 and 1947. Melvin Metcalf (1947) Maxine Hoke Metcalf (1948)

Dear Friends, Seriously doubt that I can make it, but in my case, "Hope Springs Eternal"! It would be so great to attend! If I miss, just give my dinners to someone else or fund scholarship extra. I am well, but extremely busy. Came back to Richmond from Sanibal, FL. April 3 to help son redo 1850's Victorian house he and family have had for 10 years. Horse hair plaster, etc. Fun, but ugh! Also, redo of daughter's fiancés home here in Virginia –almost as bad. Don't know why I gat a teaching degree should have been a carpenters!! Am still busy solving mid-east crisis, politics, poetry, cooking and in general getting into mischief Best wishes to all- especially Roges! Yes- I have 9 cats and 3 dogs. Jeannie Wigand-AKA Jeanette Huber (1959)

Hello all- once again we have a conflict in that we have 2 nieces graduation on June 4. Hopefully, we will be able to attend next year's reunion! Andy's had a good past year- stayed fairly healthy-except for a bad bout of bronchitis in winter time. He attended the 60th 1950 class reunion last June. He enjoyed seeing his many classmates from 1950. Sorry – no big news to report- Did go see a couple Cleveland Indians games and Akron Aero's baseball games last summer and surely hope to do the same this year. We attend niece and nephew events- mostly baseball. Hope everyone has a terrific warm summer and good rest of the year. God Bless you all and see you soon! Andy Sanford (1950)

Dear class of 1951 and all alumni, I am sorry I cannot be with all of you. I have been quite ill. As you can see I am late with getting this gift to the people who are so good to keep the alumni group going. I hope that the class of 1951 has a great day Sunday visiting. You all are in my thoughts and prayers. My best to all. Margaret Priest Legg (1951)
